ITEM TITLE: **Technology Funding for Sheriff**

RECOMMENDATION: Appropriate \$2,000 from the General Fund Reserve for Contingencies to fund the purchase of two software licenses for the Sheriff's Department.

SUMMARY: In January of this year, City Council approved funding for hardware and software to improve technology connectivity among various criminal justice agencies within the City. An analysis was completed that outlined the basic hardware and software (database) needs of each partner in the criminal justice work group.

Since January, staff has learned that it would be beneficial for the Sheriff's Department to have access to the "Pistol" database that contains criminal histories, suspected involvement in criminal activity, vehicle data, etc. The Sheriff's Department has joined the Criminal Justice Work Group.
